

Curriculum Vitae

Name: Ali Akbar Abdollahzadeh

Sex: male

Marital status: married, 2 children

Date of Birth: 08/03/1962

Office Address: Department of Mining Eng. Faculty of Engineering, University of Kashan,
Kashan, Iran.

Tel: +983155912454

Email:abdزاد@kashanu.ac.ir

Academic Degrees

Ph.D. in Geosciences (Mineral Processing) , INPL- France, 1997

DESS in Mineral Processing, INPL- France, 1994

M.Sc. in Mining Eng., Faculty of Engineering, University of Tehran, Iran, 1991

B.Sc. in Mining Eng., Faculty of Engineering, University of Tehran, Iran, 1988

Employment Experience

Assistant Professor of Mining Engineering Department, University of Kashan, Iran (2002- present)

Deputy of Research, Faculty of Eng., University of Kashan, (2006 – 2012)

Educational Advisor, Iran University of Industries and Mines, (2002 - 2008)

Academic member & Deputy of Education, Iran University of Industries and Mines, (1997 - 2002)

Taught Subjects

Mining and Mineral processing courses in mining eng. program (BSc & MSc degree)

Fields of Interest

Mineral Processing Systems,

Flotation,

Dewatering in mineral processing

Mass Balancing & Data Reconciliation

Research Activities

Dynamic simulation of flotation circuits (2013)

Beneficiation studies of Koohbanan oxide Pb Ore (2007)

Data reconciliation due to supervision of a CIL leaching circuit (2006)

Design an Information system for Mineral Processing Plants of Iran (2005)

Comprehensive plan on new mineral processing technologies (2001)

Beneficiation studies of Nehbandan Garnet Ore (2000)

Publications

1. M. H. Golpayegni, **A A Abdollahzadeh**

“Optimization of operating parameters and kinetics for chloride leaching of lead from melting furnace slag”, Transactions of Nonferrous Metals Society of China, Volume 27, Issue 12, pp 2704–2714, December 2017

2. E. Allahkarami, O. Salmani Nuri, **A A Abdollahzadeh**, B. Rezai, B. Maghsoudi

“Improving estimation accuracy of metallurgical performance of industrial flotation process by using hybrid genetic algorithm-artificial neural network”, Physicochemical Problems of Mineral Processing, 53(1), 366-378, 2017

3. O. Salmani Nuri, E. Allahkarami, M. Irannajad, **A A Abdollahzadeh**,

“Estimation of selectivity index and separation efficiency of copper flotation process using ANN model”, Geosystem Engineering, Taylor & Francis, vol. 20, no, 1, 41-50, 2017
